

MAPS AND SCHEDULES

To see Shuttle schedules:

- A. Visit www.bragg.army.mil/directorates/logistics/ITO
- B. Click on *Post Shuttle Schedule*

- Many locations on post have a Shuttle stop within a quarter of a mile.
- Plan your arrival/departure times carefully for the most efficient Shuttle experience. Factor in walking time.
- Early bird Shuttles run between 0630 and 1000 on weekdays and between 0800 and 1000 on weekends. Daily Shuttles run between 1000 and 1830 on weekdays, 1000 and 1800 on Saturdays and 1000 and 1400 on Sundays. There is no Shuttle service on Federal holidays.
- If you are traveling to a destination that is located on a different route than your point of origin, you will need to change Shuttles at a TRANSFER POINT. Transfer points are essentially locations where Shuttle routes overlap. Transfer points are denoted by a colored * in this guide. (**White Route/Clinic Route** transfer points are marked with a black * for your reference.)

For example: the Soldier Support Center is on the **Gray Route/Connector**, the **White Route/Clinic Route**, the **Red Route**, the **Gold Route** and the **Lime Route**. You can connect to destinations on any of those routes via the Soldier Support Center.

- Chat with your driver! Your driver will assist you to ensure that you reach your destination!
- You can connect to the Fayetteville Area System of Transit via the Shuttle at the MMH or South Post PX on the **Red Route**. FAST maps and schedules are available at <http://www.ridefast.net/>.

SHUTTLE ROUTES

HOW TO RIDE

A. Determine the route that services your POINT OF ORIGIN and its nearest Shuttle stop.

B. Determine the route that services your DESTINATION and its nearest Shuttle stop.

ARE YOUR POINT OF ORIGIN AND DESTINATION WITHIN THE SAME ROUTE?

Yes? Board the Shuttle and ride to your destination or the nearest Shuttle stop.

No? You will need to ride the Shuttle to a TRANSFER POINT. TRANSFER POINTS are denoted by colored stars by the Shuttle stops.

EXAMPLE: You are at the 108 ADA (Khaki Route) and want to ride to the Mini Mall (Gray, Red, Gold and Blue Routes). A TRANSFER POINT exists between the 108 ADA/Khaki Route and the Mini Mall/Red Route at the South Post Exchange. You would board the Khaki Route Shuttle at the 108 ADA and ride to the South Post Exchange. At the South Post Exchange you would board the Red Route Shuttle and ride to the Mini Mall.

EXAMPLE: You live at Biazza Ridge (Red Route) and want to go to Throckmorton Library (Gray and Green Routes). A TRANSFER POINT exists between Biazza Ridge/Red Route and the Library/Gray Route at Soldier Support Center. You would board the Red Route Shuttle at Biazza Ridge and ride to the Soldier Support Center. At the Soldier Support Center you would board the Gray Route Shuttle and ride to the Library.
